

Our Cutting Garden is OPEN!

Our cutting garden is open for business! Come in and cut your very own bouquet from our bounty of blooms all shapes colors and sizes! Check out our website and learn all about the cutting garden at [Hidden Ponds Nursery](#). Best to bring a container to take your flowers home in, and if you have a special set of clippers, you can bring those too. We will give you a container to collect your cut flowers in the garden and we have scissors for you to use. We will swaddle your bouquet in paper to bring them home, but depending on your schedule you may want to keep them in water if you will not get to your destination for a while!

*Beautiful grounds! No traffic! Lots of free parking!
Come enjoy the day and cut your own bouquet!*
