- try your skill at the putting contest
- take a tracker ride
- visit and feed the farm animals and fish
- capture yourself and the day at our photo booth
- enter to win a free landscape design consultation
- *join the Gentle Yoga class in the afternoon (3:00pm)- great for all abilities just bring your own mat!*

Plan to come and enjoy all of the fun activities and stay for lunch! All of your donations for activities and food will be used for this important mission in our community!
